HON'BLE SRI JUSTICE RAMESH RANGANATHAN**

WRIT PETITION No.17199 of 2007

ORDER : (Per Hon'ble Sri Justice Bilal Nazki)

The grievance of the petitioner is that although he is a registered dealer in terms of the A.P. Value Added Tax Act, 2005 (for short 'the Act'), he is not being issued the waybills. Counter has been filed, in which it is stated that a show cause notice had been issued to the petitioner as to why his registration be not cancelled on the grounds mentioned in the show cause notice. It was received by the petitioner and he has already filed reply to the show cause notice on 28th of June 2007 and it is submitted by learned Government Pleader that since registration of the petitioner is under a cloud, the waybills were not issued.

The petitioner has filed his objections on 28th of June 2007 and more than two months have gone by. In these circumstances, we feel that this writ petition can be disposed of by directing the respondents to decide the matter arising out of the show cause notice within two weeks from today and after the order is passed, consequential steps can be taken by the Department.

Writ petition is disposed of accordingly.

BILAL NAZKI, J

10th September 2007.
